

NATIONAL CONFERENCE/ WORKSHOP ON

“Use of LC-MS/MS and HRMS in the analysis of secondary metabolites”

14TH – 16TH OCTOBER-2019

**SOPHISTICATED ANALYTICAL INSTRUMENT FACILITY (SAIF),
CSIR-CENTRAL DRUG RESEARCH INSTITUTE, LUCKNOW**

SPONSORED BY

**DEPARTMENT OF SCIENCE & TECHNOLOGY
GOVT. OF INDIA
SKILL DEVELOPMENT PROGRAM CSIR-CDRI
AND
SCIEX**

Sophisticated Analytical Instrument facility (formerly known as Regional Sophisticated Instrumentation Centre - RSIC) at Central Drug Research Institute (CSIR), Lucknow has been providing excellent analytical service for the last 44 years and is one of the first four such facilities set up by the **Department of Science & Technology (DST)**, Government of India in 1973-74. The concept of the SAIF at Central Drug Research Institute evolved around the regional needs of scientists, research personnel and students engaged in research in the chemical and biological sciences. The sophisticated instruments at the center have been updated from time to time, keeping pace with the advancement of science and technology and the requirements of the users.

Objective of Workshop

This proposed workshop is aimed to cover basics of liquid chromatography (LC) followed by Q-TOF high resolution mass spectrometer (HRMS) and UPLC-QTrap-MS/MS to enable users to separate, identify, characterize and quantify pure phytochemicals as well as molecules in a mixture. The participants will benefit from this workshop in improving their understanding of the techniques and their applications in research activity. This will also help them to interpret the data for successful identification. All the participants will be able to watch the HPLC/UPLC-HRMS, MS/MS experiments on HPLC-QTOF-MS/MS, and UPLC-QTrap-MS/MS. The workshop includes both lectures (20% time) and laboratory sessions (80% time).

Topics to be covered

1. Mass Spectrometry Basics
2. LC-MS/MS – Instrumentation and Applications
3. On-site Application Training on Mass Instruments
4. Lab Visit, Discussion and Certificate Distribution

Accommodation/Transportation

We will provide accommodation in Guest House (if available) on payment @ 300 per person per day from 13th - 16th October 2019. **NO PICK and DROP service from Railway station or Airport.**

Lucknow

A sprawling historical city on the bank of river Gomti, Lucknow is the capital of Uttar Pradesh. A beautiful city of gardens, renowned for its Nawabi culture, shades of which still remain, it is now more famous for its Chikan garments, Dussheri mangoes, Awadhi cuisines and also for a large number of scientific institutions.

Last Date for receipt of Application with DD is 30th September- 2019.

No Spot registration

Registration fee for the Workshop

Private Organizations & Industry	Rs. 20,000.00
Academic faculty	Rs. 10,000.00
Students	Rs. 7,000.00

Participants from Organic Chemistry/Natural Products/Biotechnology/Pharmacy/Biochemistry etc are eligible to apply.

Payments

Bank Draft should be drawn in favour of **Director, Central Drug Research Institute, Lucknow payable at Lucknow.**

Venue

SEN-F1 (Special Equipment Building)
Central Drug Research Institute,
B.S. 10/1 Sector-10
Janakipuram Extension, Sitapur Road, Lucknow-226031 (U.P.)
For any other information, please contact Organizing Secretary

Correspondence:

All correspondence should be addressed to:

Dr. Brijesh Kumar
Chief Scientist

SOPHISTICATED ANALYTICAL INSTRUMENT FACILITY
CSIR-Central Drug Research Institute, Lucknow

Workshop On
“Use of LC-MS/MS instruments and HRMS in the analysis of secondary metabolites”

14th to 16th October 2019

Only 20 seats
Selection criterion: First cum first served

Registration form

Name:

Date of birth: Gender: M/F

Designation: E-mail:

Educational Qualification:

Department/Institute:

Address for Communication:

Accommodation **required/not required**

Mobile:

Payment details:

Amount Rs:

DD No.:

Date:

Bank:

Signature of the candidate

Signature of head/supervisor

Completed and signed form with DD can be scanned and e-mailed to: seminar_mass@yahoo.co.in and brijesh_kumar@cdri.res.in, followed by hard copy by speed post to confirm your seat.

Payment Details DD/No. Dated..... For INR..... in favour of Director, Central Drug Research Institute, Luknow, payable at Lucknow, as registration fees.

Signature

6520 Quadrupole Time of Flight (Q-TOF) Mass Spectrometer

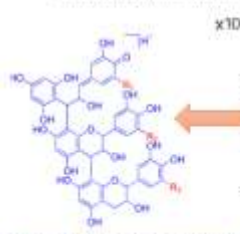

Ethanollic Extracts

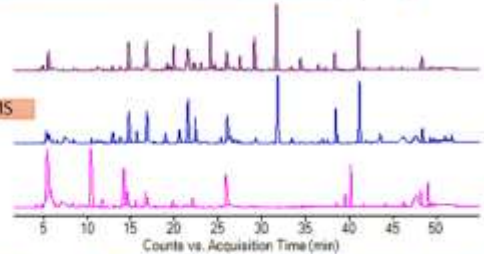

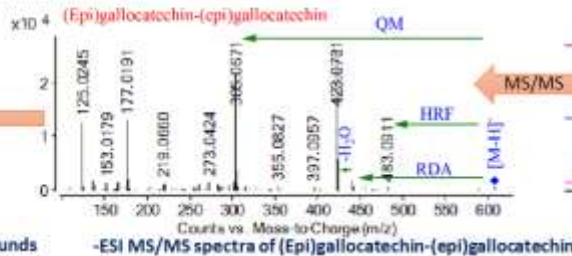

SFC

Some herbal formulations related to Terminalia spp

Identification of compounds

Base Peak Chromatograms of *T. arjuna* plant part

4000 Q-TRAP (Triple Quadrupole Linear Ion Trap) Mass spectrometer

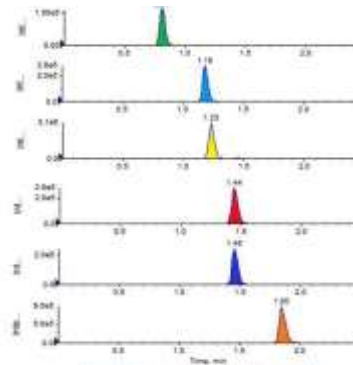

Wikania toona(fava)

Fermentation

Quantitative analysis by HPLC-MS/MS

Estimated via chromatogram of reference analytes
